We need to decide on the following trips: We only have one weekend trip scheduled so far.

Trip # 2> May. The following dates were suggested: The 27th, 28th, 29th.
Should this be a day trip? Which boat? The Island Spirit?

Trip # 3>June. The following dates were suggested: The 25th, the 26th. Overnight trip?
Maybe on the Pacific Eagle? The White Sea bass limit goes up on the 14th

Trip # 4>July. Some possible date conflicts:
The club meeting is on the 1st.
The kids trip was on the 9th last year.
The summer BBQ was on the 20th last year.

Is there enough demand for a ladies trip?
