## October 2026 VCSC President's Report

The next club general meeting will be on October 7, at the Black Bear diner in Ventura. The meeting starts at 6:30, come early for dinner and drinks.

Stan Smith will be our guest speaker. He is a club member, and works for the Ventura County Children And Family Services. They partner with us on the yearly kid's fishing trip, where we take foster kids out on the Californian out of Ventura Landing to fish around the islands.

The local fishing has been very good recently. Our September trip on the Endeavor was excellent, with some nice halibut and bottom fish.

***See you on Weds, October 7th!***

## ANGLERS' OCTOBER REPORT FOR CURRENTS

### CHANNEL ISLANDS WSB GROW-OUT FACILITY UPDATE:

We are now expecting delivery of about 7,000 juvenile White Seabass on either October 1st and/or 6th and 7th.. Ocean Resources Enhancement Hatchery (OREHP) says the fish are growing faster than previous cohorts so they moved up the delivery time.

### CIYC ANGLERS AND CCA-CI JOINT MEETING:

Presentation on reefing efforts by CCA, and the CA state's efforts to expand more NO FISHING areas.

<https://ccacalifornia.org/mpas/>

### LOCAL FISHING:

As I write this, the Channel Islands 55th annual Billfish Tournament is ongoing. I don't have any definitive results, but with El Niño weather, anything can happen!

~ FRANK SULLIVAN / WSB Grow-out Pen coordinator

### BIG FISH OF THE MONTH FOR AUGUST:

Kevin Brannon caught a 20-lb. Yellowtail off Port Hueneme near the wreck of the \*La Jenelle.

*As a side note: The La Jenelle was a cruise ship which ran aground on Silver Strand Beach, Port Hueneme, after breaking free of its anchorage during a gale in April, 1970. The US Navy utilized the remaining hull (after removing the ship's superstructure) for the north side of the Port Hueneme breakwater.*

Next load of 7k fish scheduled to be delivered October 6th. Because of El Niño water concerns they will be delivered a bit larger than usual and in a smaller batch. We will only hold them for 2 months or so before release.

Delivery is now scheduled for Oct 19 and 20 and work day was moved to Oct 10!

## WESTERN OUTDOOR NEWS EST. 1953

**BY MERIT MCCREA**

*WON Staff Writer*

**SAN CLEMENTE** – In the past several weeks there have been marlin reported in areas throughout the Bight within U.S. waters – including the Northern Channel Islands.

A Santa Barbara Harbor based Open Access commercial fisherman had been seeing numerous marlin at the Channel Islands while commercial fishing, so he decided to declare out for a day and do some sport fishing with his girlfriend. He said “We even had one come right by the boat a couple weeks ago on the frontside of Santa Cruz Island in like 40 feet of water chasing bait!”

His sportfishing day saw multiple marlin in his spread with one finally getting hooked on a cedar plug, after several others had swatted and missed on the regular marlin jigs.

About mid-day on day one of the Balboa Angling Club’s 2026 Master Angler Billfish Tournament they reported 30 stripers caught already.

In addition to the ubiquitous stripers there were blues too, at least three of which have been boated in the past 2 weeks. This included what is likely the largest gamefish ever landed aboard the San Diego fleet of sportfishers. The 648-pound blue bit for the anglers aboard the *Pegasus* out of Fisherman’s landing, owned and operated by Capt. Alec Stockfelt.

That fish took down a DTX Minnow trolled on a Calstar rod with a Shimano TLD reel. *Pegasus* crew Daniel Harris, Jeffrey Janowiak, Jacob Kocaya and Stockfelt plus a few of their anglers fought the monster for about 2 hours before teaming up to drag the beast aboard through the boarding gate.

# BajaStar brings offshore sportfishing to Loreto, Mexico

**BY BOB SEMERAU**

*WON Staff Writer*

**LORETO, BCS, MEXICO** —Up till now, fishing Baja California from pangas and cruisers were the only options for intrepid anglers wanting to head down Mexico way.

The 65-foot sportfisher, BajaStar, is on track to change all that.

"We are bringing first class fishing to Loreto with a full, year-round schedule," explained BajaStar agent, Orchid Martinez-Guevara.

Owners and operators, Captains Diego Nuño and Adriel Quezada, under the stewardship of Royal Star operator Tim Ekstrom, purchased the El Capitan in San Diego and immediately set about refurbishing the vessel.

"The bunks have been reduced to only 12, making every trip a 'limited load' for better fishing. Air conditioning has been added along reworking the galley and salon area and other important upgrades," continued Orchid.

Anglers bring their own tackle and reels but can use rods available on board, making it much easier to travel. US Airlines now offer daily nonstop flights from Los Angeles and Phoenix directly to Loreto. Three full meals and a couple of snacks served each day, along with fish processing and vacuum packing aboard BajaStar complete the full service operation.

Recently naturalized to Mexico with the boat's maiden voyage set for August 28, 2026. The BajaStar season gets underway with MagBay trips in October then starting the winter schedule in November, with their first Loreto multi-day trips. Featuring both open party and private charters, the owners plan to make runs for active biters, fishing the kite, trolling, jigging, and with live bait, depending on species targeted and current conditions.

Captains Diego and Adriel were both trained aboard Royal Star, having worked the deck aboard the storied vessel for many years before getting their Captain's licenses. Both BajaStar skippers are fully certified and up-to-date with advanced maritime courses from Nautico BCS in La Paz, one of the country's most prestigious maritime academies.

According to BajaStar's, Orchid, Captain Tim Ekstrom wanted to "pay it forward", helping the two younger skippers make their dream of ownership come true, with Ekstrom becoming the Padrino, or godfather of the operation.

As Mama Orchid explains, "The BajaStar mission is to provide the best possible opportunities for catching fish while giving exceptional customer service to our guests."
